

Think Pink: Join The Flock to Support Duxbury Schools

Imagine waking up on a beautiful August morning, sipping your coffee and discovering a sea of pink flamingos on your front lawn or even better, your favorite neighbor's lawn. There's a new gang in town — they're long legged and pink. They're coming to your neighborhood and bringing a special message.

Starting August 1 you can "Join the Flock." For a donation of \$40, The Duxbury Education Foundation (DEF) trained flamingo wranglers will quietly deliver 20 birds to unsuspecting front lawns after dark. If you're up for it, you can deliver these birds yourself and make it a fun family caper. The flamingos will stay on the designated lawn for 24 hours and then be discreetly removed. There are plenty of

reasons for your friends and neighbors to "Join the Flock". It could be a birthday, a way to cheer someone up, to welcome a new family to the neighbor-

hood or just a nice way to say we support Duxbury Public Schools. Don't miss this chance; it's all over August 31, as the flamingos will head south for the school year.

To join the flock, call Evelena Tufankjian at 781-934-0309 with the family's name, address and any message you would like to send along with the flamingos. Please indicate if there is a special date on which you want them delivered. Send a \$40 tax-deductible check to The Duxbury Education Foundation, P.O. Box 1264, Duxbury, MA 02331.
